

MEGA CARRY

◀XTRA▶

Way of Life!

THE IDEAL PARTNER

Suzuki Mega Carry Xtra is the ideal choice for modern day requirements of light-commercial and fleet businesses, offering more loading space, outstanding performance, durability and reliability. The Mega Carry Xtra meets the diverse needs of its users.

THE POWER OF CONVENIENCE

The Suzuki Mega Carry Xtra is the best partner for all your business needs. Its power comes from a robust engine with superior fuel economy. A range of features such as generous loading space, durability and reliability combined with a functional cabin make it an ultimate carriage vehicle.

1. Wide rear glass for a clear Backward view.
2. Deck is separate from the cabin for stronger protection of goods.
3. Inside of the deck is reinforced with iron plate panels.

With a G15A, 1500cc, 4 cylinder, 16 valve, MPI engine which has high Air in Take that is more secure against flooding. The powerful engine allows great acceleration even at low rpm.

The interior of the cabin is comfortable and spacious.

The design of the speedometer is functional and easy to read.

With MacPherson Strut on the front and Leaf Spring on the back, Mega Carry Xtra has very strong suspensions that allow for a smooth drive even when loaded.

The Mega Carry Xtra is equipped with reliable ventilated disc brakes in the front and drum brakes in the rear.

With a deck that opens from 3 Sides, the Mega Carry Xtra has great weight capacity.

ALL-ROUND UTILITY

Rigid and thicker chassis for maximum strength and reliability.

Side-locking gate handles on the tailgate and panels provide added security.

Hooks on the outer tailgate and side panels tie down cargo for added convenience.

Headlamps are well elevated for better all-round visibility plus reduced vulnerability in minor collisions.

Handy cockpit compartments, like glove box and driver's side storage pocket, keep small items within easy reach.
