Regular	DLX		
Hi-Octane	AT		

Colour Variation

■ SAND BEIGE ■ GRAPHITE GREY ■ SUPER PEARL BLACK ■ PEARL RED ■ SOLID WHITE ■ SILKY SILVER

LOW WIND NOISE

A drag coefficient of only 0.32 is realized by aeroparts such as the front airdam, by the spoiler-type shape of the tailgate's trailing edge, and by airflow-smoothing door mirrors. The high aerodynamic efficiency promotes cabin quietness by minimizing wind noise.

SAFETY

Four-wheel ABS combined with EBD (electronic brake-force distribution)

The four-wheel ABS (antilock braking system) maximizes the driver's directional control by preventing wheel lockup during hard brake application, even on slippery surfaces. It is supplemented by an EBD (electronic brake-force distribution) function that adjusts the distribution of braking force to rear wheels in accordance with weight of passengers and luggage.

EQUIPMENT

GRADE	DLX/AT
EXTERIOR	
Black coloured A & B pillars	S
Outside door handles	Coloured
Front grille	Chromed
Muffler extension	S
VISIBILITY	
Headlamps	Halogen projector
